Earth Week

Friday April 19, 2024

Hey there, Banting! As Earth Week approaches, let's make a difference and reduce, reuse and recycle! We're hoping all students can join in on our mission to encourage sustainability by bringing in reusable items to create birdhouses and feeders. Let's take care of the beautiful birds around our town and contribute to making an eco-friendly home while reducing waste and showing some support to our planet. Please drop your recyclables off to Mrs. Doner in room 108 or 133.

Did you know that only 10% of a light bulb's energy is actually used for electricity? The other 90% is wasted energy. So, on Monday April 22nd Banting will start off Earth Week with 30 minutes of technology free time, that means absolutely no cell phone use, during period three classes. Here at Banting, we care about and celebrate mother earth, so tune in for the rest of the week for more earth week activities to celebrate sustainability.

Open mic is taking place today in the caf at lunch. All of the performance spots have been filled for this open mic.
