# BREAKFAST CLUB

Monday December 18, 2023

**BMHS**

Banting's breakfast club is up and running again. All Banting students are welcome to come to the Room 165 before school, from 7:40- 8:00am to start their day with bagels and cream cheese, milk, yogurt, and fruit.

There is no cost to access this great program, please come down and start your day off right.

Every day during culminating tasks, the St. John's Ambulance therapy dogs will be here outside the greenhouse room 117. They will be here on this week today and next week on Monday and Tuesday. Come and visit them at lunch for some stress relief. There will also be mindful colouring stations set up in the library.
